

Remarks

Pursuant to the comments contained on the Continuation Sheet of the May 9, 2008 Notice of Non-Compliant Amendment, Applicant hereby amends the claims to fully comply with the Examiner's remarks. The listing of claims was previously submitted on August 24, 2006 as part of a Preliminary Amendment. The current listing of claims addresses the technical deficiency as pointed out by the Examiner, inasmuch as the Applicant has now included only one claim 3, and has renumbered the subsequent claims (claims 4-18) accordingly.

No return copy of Notice is enclosed inasmuch as this response is being filed via EFS-Web.

If the Examiner feels that a telephonic interview will facilitate allowance or further expedite prosecution, she is respectfully urged to contact the undersigned, prior to the issuance of another Official Action.

Respectfully submitted,

CHERSKOV & FLAYNIK
